

CONVENIENT
CARE ANYWHERE

1.800MD is a fast, convenient alternative to waiting days for an appointment or spending hours sitting in the doctor's office, urgent care or ER.

Providing Fast and Convenient Care For Your Medical Needs

Benefits to You

- ✓ Consultations can be placed from your home, office, or while traveling. Absolutely anywhere in the United States.
- ✓ Available 24 hours a day, seven days a week, 365 days a year.
- ✓ 15-minute average call back time, backed by our one-hour call back guarantee.
- ✓ Instant translation access to over 170 languages.
- ✓ Each physician is highly credentialed, experienced, board certified, and specially trained.

Convenient and Quality Care, 24/7

1.800MD offers reliable, quality health care at your finger tips with a remarkable reputation.

Save money on claims expenses while enhancing your employee benefits package with 1.800MD's premier telehealth services.

Employers deserve a customized plan to meet the specific needs of the business and its employees. At 1.800MD, that is standard quality care for our customers!

We offer a secure portal where records are safe; initiating a medical consultation is simple; decision-making and wellness tools are available; and helpful information can be found in our A to Z health library.

With 1.800MD, you also have access to Rx Valet, the complete pharmacy solution for low cost prescription medications.

To learn more, contact a U.S. Employee Benefits Services Group representative today.

1.800MD is a fast, convenient alternative to waiting days for an appointment or spending hours sitting in the doctor's office, urgent care or ER. Whether it is 2 a.m. from your toddler's room or 7 p.m. from your business trip destination, our telehealth solutions save you time and money while providing peace of mind.

Quality Care When You Need It Most

Looking for care that fits your schedule? 1.800MD offers reliable, quality health care at your fingertips with a remarkable reputation.

WHY CHOOSE 1.800MD?

SAVES MONEY	CONVENIENCE AND QUALITY CARE	SUPPORT	CUTTING EDGE TECHNOLOGY
Visits to the emergency room or urgent care are costly prices to pay when many visits can be handled by calling 1.800MD. As a low-cost alternative 1.800MD physicians treat many common conditions via phone or video consultations, reducing unnecessary doctor's visits and saving you money.	With more than a decade of experience, 1.800MD provides individuals, families, employers and groups with best of class medical care 24/7/365. Available any time day or night, our board certified physicians are equipped to diagnose, recommend treatment and prescribe medications while in the comfort of your home, office or business trip destination.	Independently owned, 1.800MD focuses on customer satisfaction. Our member service representatives are available any time to assist you or answer any questions you may have.	1.800MD's website and mobile app are extensions of our customer service commitment. They provide consumers with access to fast, convenient access to health care. Individual secure member portals contain information and tools to help make informed health care decisions.
